# International Forum on Urban Digital Twins

at the Munich Urban Colab

more information:  [www.3dgeoinfo.org](http://www.3dgeoinfo.org)

München.  
**Digital. Twin.**

**SAVE  
THE  
DATE**

**12th  
September  
2023**

An interactive format awaits you:

- 9 am: international presentations on Urban Digital Twins
- 2 pm: barcamp with open sessions

The event will focus on

- the status quo in the cities
- the current state of science & research
- topics of standardisation

The forum is part of the International 3DGeoInfo Conference 2023, which will take place in Munich, 12th – 14th of September 2023.

Organised by the City of Munich in cooperation with the Technical University of Munich.
